

# ISAIAH: SONG OF THE VINEYARD

**Scripture:**  
**Isaiah 5: 1-17**

**Materials Needed:**

**Objectives:** As a result of this lesson, I want my students

To Know—Like the vine keeper, God had done everything for His people so that they would produce good fruit, but instead they went after their own wicked ways, so He gave them over to destruction.

To Realize—God has given them many resources to live upright, godly lives so they can produce good choices/character, therefore they should not turn to their own selfish ways or they will experience the destructive consequences of going their own way.

To Respond by—producing good fruit in keeping with the opportunities and instruction they have received.

## Telling the story:

- |    |   |
|----|---|
| I. | The Vinekeeper Does Everything for the Vineyard |
| II | II. The Vineyard produces Sour Grapes           |
|    | III. The Vineyard is Destroyed                  |

## As you tell the story:

## Concluding the Story:

What has God given us as “good soil” and how has he prepared things so that we would make good choices and have good character? (Godly parents; teachers; chapel speakers; books; camps; etc.) What is God expecting from us after giving us so much? What happens when someone hardens themselves to what God has given them?

## THE VINEYARD HELPS FOR THE TEACHER

### **Personal Application Questions:**

1. What opportunities have you been given that has helped you go the right way?
2. What fruit would be in accordance with the instruction you've received?
3. Has there been things you've held on to from a hardness of heart to the good instruction God has given you? What will you do about it?
