

# Joshua's Farewell

## Joshua 23-24

Joshua summons the elders, leaders, judges, and officials

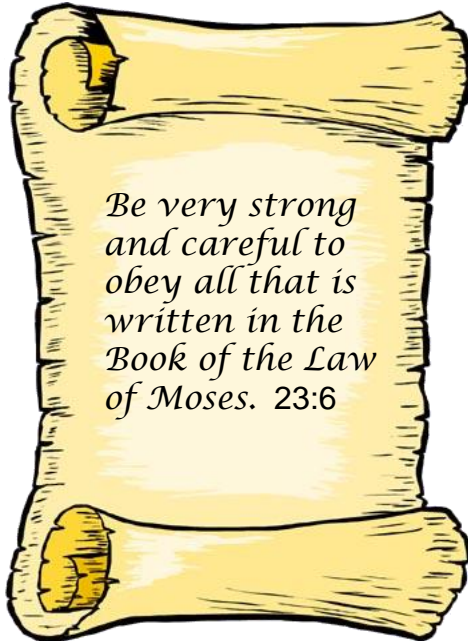

“You remember what God did!

- He took Abraham from Ur and led him through Canaan
- They went down to Egypt and He sent Moses and Aaron to bring you back.
- He took care of you in the Wilderness.
- He made Balaam bless you instead of curse you.
- He destroyed Jericho and the other Canaanites who came against you.
- He gave you the land!!

Now **SERVE** the LORD! Throw away the gods you've been carrying around. Choose who you are going to serve!”

As for me and my house, we will serve the LORD!
